RECEPTION

Forum

BUILDING A MODERN EUROPEAN UKRAINE

Russia's war against Ukraine causes damage of many hundreds of billions of Euros to infrastructure, business facilities, residential areas and the environment.

After the war, state institutions will have to be restructured.
Ukraine's membership in the EU necessitates significant adjustments.

These fundamental changes require immense support, both financial and advisory, from the international community. Ukrainian civil society also plays a central role here.

Supported by:

In cooperation with:

The event will also be streamed live on
<https://www.facebook.com/DiplomatischeAkademieWien/live>.

Registration to participate at the venue required by 19 June 2023 via
www.da-vienna.ac.at/events.
