## Invitation

**Jour Fixe on 16 June 2021 at 07:00 PM**  
**Restaurant “The Chef” at Symona Petlyury St. 30, Kyiv 01032**

Kyiv, 01 June 2021

Dear members, Dear all who are interested in Ukrainian – Austrian relations,

With the grip of covid-19 clearly and substantially easing (we do hope for good), it is possible again to hold physical meetings. Therefore we would like to resume UAA's tradition of jour fixe before the summer holiday period.

We cordially invite you for 16 June at 07:00 PM to our traditional restaurant venue on Symona Petlyury St. 30 which is now under new name and management. There we will welcome our good friend and member of our Supervisory Council, Prof. Ihor Zhaloba. Against the backdrop of his co-chairmanship of the Austrian-Ukrainian Commission of Historians, he will talk about “Joint roots of Austria and Ukraine and resulting future perspectives” (Ukrainian with English interpretation).

Besides, I will inform you on recent developments of and around UAA as well about my plans in my capacity as Charter President of Rotary Club Kyiv International Business ([www.rckib.org.ua](http://www.rckib.org.ua)) concerning the Inter-Country Committee Ukraine – Austria which is supposed to be chartered in the 3<sup>rd</sup> quarter 2021 under my Ukrainian chairmanship.

Since seating capacity is still limited due to covid-19, we kindly ask you to register by 14 June COB with my colleague in the board of UAA, Marianna Kordun under [m.kordun@ukrainian-austrian-association.com](mailto:m.kordun@ukrainian-austrian-association.com). Take masks with you please.

I am looking forward to welcoming you.

Best regards

Alfred F. Praus  
President
